

ACHIEVING TEAM CHEMISTRY™

(FOR FRONTLINE EMPLOYEES)

**Better people. Better teamwork.
Better results.**

When people understand each other,
teams communicate better, work together
more effectively, and achieve more—
together.

Achieving Team Chemistry™ is an interactive,
full-day workshop based on Everything DiSC®
Workplace. You'll discover your own work style
and learn how to work more effectively with others—
appreciating differences, improving communication,
and building stronger, more connected teams.

IN THIS WORKSHOP, YOU WILL:

-  Understand your own DiSC® work style and how it influences your interactions with others.
-  Recognize and appreciate the strengths and contributions of different work styles.
-  Improve communication and collaboration with colleagues who have different approaches and preferences.
-  Build stronger workplace relationships based on trust, respect, and understanding.
-  Reduce misunderstandings and navigate conflict more effectively.
-  Adapt your communication style to improve teamwork and cooperation.
-  Leverage individual strengths and differences to contribute to team success.
